welcome to sociology i ve loved sociology since i was in my teens and i hope you enjoy it too sociology is fascinating because it is about human behavior and many of us find that it holds the key to understanding social life if you like to watch people and try to figure out why they do what they do you will like sociology sociology pries open the doors of society so you can see what goes on behind them essentials of sociology a down to earth approach stresses how profoundly our society and the groups to which we belong

influence us social class for example sets us on a particular path in life for some the path leads to more education more interesting jobs higher income and better health but for others it leads to dropping out of school dead end jobs poverty and even a higher risk of illness and disease these paths are so significant that they affect our chances of making it to our first birthday as well as of getting in trouble with the police they even influence our satisfaction in marriage the number of children we will have and whether or not we will read this book in the first place

this brief 4 colour paperback text covers all of the major topics in sociology that instructors would cover in a 12 to 14 week course instructors will welcome the integration of race and gender issues throughout the text cross cultural coverage is extensive it is accompanied by a first rate ancillary package including an innovative electronic study guide this text will appeal to students and instructors who find they are simply unable to work through an introductory sociology text with 20 chapters or more videos available contact local sales rep
